

Greetings from the THS Historical Society!

The Topeka High School Historical Society (THSHS) Board of Directors is looking forward to seeing your class this year during your Reunion Weekend. Our office will continue to include your information in our newsletter and website, refer calls to you from your classmates asking for specific information and encourage you to call our office with questions regarding the use of the building, etc.

We will assist with your reunion:

- Provide your class spreadsheet that was updated in 2015
- Arrange access to the school, with THSHS hosts, on the Saturday morning of your reunion
- Arrange for guides to 'Walk the Halls' with your class
- A \$5 discount on THSHS membership dues (only \$20 on your reunion weekend)
- Your reunion information is included on our website (thsweb.org/alumni) and newsletters
- Easy access to our office and executive secretary (295-3200, thshs2001@yahoo.com, jbarker@tps501.org) to answer your questions

We ask you for:

- An approximate number of classmates who will be coming to school on your Saturday morning (7-10 days before). We strongly suggest a 9 am or 9:30 am gathering time and informing the THSHS of that time
- Contact information updates for classmates 2 weeks after your reunion. Use the spreadsheet we provided and highlight names as changes are made. Send us a copy of that working spreadsheet for us to update our Graduate Database.
- A list of Reunion attendees – preferably on a spreadsheet with mailing & email addresses or highlighted on your class spreadsheet.
- Link our website to your website or Facebook page (thsweb.org/alumni)
