

Good afternoon. If you see Jennifer Antonetti, please congratulate her for being accepted as a new member of Phi Beta Mu. She will be inducted at the Kansas Bandmasters Association (KBA) / In-Service in Wichita this July.

What is Phi Beta Mu? "Phi Beta Mu, International Bandmasters' Fraternity (ΦBM), is an honorary fraternity for band directors. The fraternity was designed to honor outstanding band directors at the state level, with only one chapter per state."

In order to be selected, you must have taught a minimum of 7 years, be nominated by a current member, and receive 80% supporting vote from current members. This is truly an honor for people in our chosen field. I became a member of Phi Beta Mu in GA about 6 years ago and have since transferred my membership to KS. I look forward to being at the ceremony when Jennifer is inducted this summer.

Congrats Jennifer!
