Corey Thomas

Dear Sen,
What a blessing it has been following you through childhood. The world is open to whatever you envision it to be. Let no one stop you, continue to be the light. Your smile and personality are infectious. Don't change your dreams, vision, or desire for anyone, or anything. Each daily decision will reflect on the adult you are shaping yourself into, don't compromise that in any way. Stay on track in making your goals reality! There is no limit, not even the sky. Remember, "Dreams don't expire!"
Love, Mom and Dad
