

Now is the time for seniors to fix their 2nd semester schedules. We know they are messy but many seniors drop a lot of their classes 2nd semester so we hate to spend too much time fixing them if you are just going to drop them.

You may work on your schedule before school, after school, lunch or Trojan Time with a pass from the Counseling Center.

Please get them fixed in the next couple of weeks. The only changes that will be allowed after break are those needed for graduation. Deadline for schedule changes is Dec 13th.
